HOUSE FILE 2539**

**FUNDING SUMMARY AND FISCAL  
IMPACT**

**LEGISLATIVE INTENT**

**HAWK-I EXPANSION**

**APPROPRIATION**

- Senate Appropriations Committee amendment S-5172 makes the following changes to HF 2539:
- Amendment S-5172 provides General Fund appropriations of \$6.3 million for FY 2009, \$14.8 million for FY 2010, and \$24.8 million for FY 2011. In addition, the provision covering dependent children through the age of 25 is estimated to increase State Government benefit costs by \$1.0 million annually in FY 2009 and FY 2010. There is no appropriation for this provision.
- According to Wellmark Blue Cross and Blue Shield of Iowa, the impact to the small group market statewide could increase premiums between 0.10% and 0.45% or between \$600,000 and \$2.4 million. The impact to the individual market statewide could increase premiums between 0.06% and 0.30% or between \$250,000 and \$1.5 million.
- States the General Assembly’s intent that the State progress toward a goal that all Iowans have health care coverage and specifies the following priorities:
  - Covering all children eligible for the Medical Assistance (Medicaid) and the Healthy and Well Kids in Iowa (hawk-i) Programs by January 1, 2011 (FY 2011).
  - Creating a Healthy and Well Kids in Iowa (hawk-i) Expansion Program to cover children of families with income up to 300.0% of the federal poverty level beginning in FY 2010.
  - Expanding the State Children’s Health Insurance Program (SCHIP) to cover children of families with income up to 300.0% of the federal poverty level (FPL) with cost sharing for families with incomes above 200.0% of the FPL. This provision is subject to receipt of additional federal funds.
  - Requiring all parents of children less than 19 years of age to provide proof of health care coverage beginning January 1, 2011.
  - Providing unsubsidized and affordable health care coverage for families with incomes greater than the maximum amount for eligibility for the subsidized coverage.
  - Decreasing health care costs and health care coverage costs.
- Creates the hawk-i Expansion Program beginning in FY 2010 by covering children of families with income between 200.0% and 300.0% of the FPL and provides for monthly premiums based on family incomes. This provision will require 100.0% State Funds.
- Requires the Department of Human Services to expand the hawk-i Program to cover children of families with income up to 300.0% of the FPL with cost sharing for families with income above 200.0% of the FPL when federal funding becomes available.
- Provides a General Fund appropriation to the Department of Human Services of \$4.8 million for FY 2009, \$14.8 million for FY 2010, and \$24.8 million for FY 2011 for the Medicaid Program, hawk-i Program, and hawk-i Expansion Program.

HEALTH CARE REFORM**

**IOWA COMPREHENSIVE HEALTH  
INSURANCE ASSOCIATION**

- Creates the Iowa Choice Health Care Coverage Advisory Council to assist the Iowa Comprehensive Health Insurance Association.
- Requires the Association to make benefit plans available to each eligible individual applying to the Association for health benefit coverage.
- Establishes the Iowa Choice Health Care Coverage Program within the Association for offering qualified health care coverage for all children less than 19 years of age with a family income that is 300.0% of the FPL and to adults and families with a family income less than 400.0% of the FPL.
- Requires all children less than 19 years of age to have health care coverage beginning January 1, 2011 (FY 2011).
- Requires the Association, in consultation with the Advisory Council, to define what constitutes qualified health care coverage and requires certain benefits to be included.
- Requires the Association to develop an Iowa Choice Health Care Policy available to children less than 19 years of age with maximum contribution requirements. The policies must have a maximum cost based upon the number of children and the family income. The policy must be available for purchase by January 1, 2010.
- Requires the Association to develop an Iowa Choice Health Care Policy available for purchase by adults not eligible for public programs with income of less than 400.0% of the FPL. The policy must be available for purchase by January 1, 2010.
- Creates the Iowa Choice Health Care Coverage Program Fund in the State Treasury.

**APPROPRIATION**

**BUREAU OF HEALTH INSURANCE  
OVERSIGHT**

**APPROPRIATION**

**IOWA ELECTRONIC HEALTH  
INFORMATION COMMISSION**

- Provides a General Fund appropriation of \$50,000 for FY 2009 to the Insurance Division of the Department of Commerce for initial costs of the Iowa Choice Health Care Coverage Program.
- Creates a Bureau of Health Insurance Oversight within the Insurance Division of the Department of Commerce. Specifies duties relating to uniformity and transparency of health insurers operations.
- Provides a General Fund appropriation of \$80,000 to the Insurance Division of the Department of Commerce for FY 2009 for the Bureau of Health Insurance Oversight.
- Replaces the Electronic Health Information Council with the Iowa Electronic Health Information Commission within the Department of Public Health. Specifies membership and duties of the Commission.
- Requires the Commission to create an Advisory Council to assist the Commission with health information technology duties.
- Requires the Commission to adopt a statewide health information technology plan by January 1, 2009.
- Requires the plan to require health care professionals to utilize a single patient identifier or alternative mechanism by January 1, 2010.
- Requires the plan to require a standard continuity of care record by January 1, 2010.

- Requires the Iowa Communications Network to provide Network access to the Iowa Hospital Association. Requires the Association to be responsible for the related cost.
- Repeals the Electronic Health Records System Task Force.
- Provides a General Fund appropriation of \$119,000 to the Department of Public Health for FY 2009 for the Iowa Health Information Technology System
- Provides a General Fund appropriation of \$10,000 to the Department of Elder Affairs for FY 2009 to develop educational information for end-of-life care.
- Requires the Department of Elder Affairs to research existing long-term living planning tools to increase quality of life and develop a public education campaign strategy.
- Requires the Department to implement a long-term care options public education campaign.
- Provides a General Fund appropriation of \$75,000 to the Department of Elder Affairs for FY 2009 for the long-term care options public education campaign.
- Requires the Department of Elder Affairs to identify available resources to continue the Aging and Disability Resource Center that was established by the Department through the Aging and Disability Resource Center Grant Program that ends September 30, 2008.
- Requires the Department of Public Health to establish a two-year community coalition for patient treatment wishes across the health care continuum pilot project in one county specified by population. Requires the Department to convene an Advisory Council and provides for limitations of the project.
- Provides a General Fund appropriation of \$40,000 to the Department of Public Health for FY 2009 for the Patient Autonomy in Health Care Decisions Pilot Project.
- Expands the HF 2539 requirement that various insurers permit existing health care coverage to continue for certain dependent child through 25 years of age by requiring the majority of the government entities to include the continuation provision for the health care coverage.
- Provides a General Fund appropriation of \$138,000 to the Department of Public Health for the administrative cost for the Medical Home System for FY 2009.
- Removes the requirement in HF 2539 that the Department of Human Services submit State Plan Amendments for the Medicaid and hawk-i Programs to implement the Medical Home System.
- Adds duties regarding the implementation of the Prevention and Chronic Care Management requirements to the State Board of Health.
- Provides a General Fund appropriation of \$151,000 to the Department of Public Health for FY 2009 for the administrative cost relating to the Prevention and Chronic Care Management provisions.
